

247Sizing **Printable Measuring Tape**

Cut out the strips and tape them end-to-end for body, pet, curtain or hat measuring.

247sizing.com · free to print · no sign-up

Each strip is 18 cm. Join the strips (match the cm numbers) to build a tape as long as you need.

cm · strip 1 (joins to strip 2)

cm · strip 2 (joins to strip 3)

cm · strip 3 (joins to strip 4)

cm · strip 4 (joins to strip 5)

cm · strip 5

CALIBRATION — this bar must measure exactly 50 mm (5 cm).

If it doesn't, reprint with scaling set to 100% / Actual Size (never 'Fit to page').

For body measurements, keep the tape level and snug, not tight.

Pets: measure the neck/chest with two fingers under the tape.

Always confirm against the 50 mm calibration bar first.
